

Cinderella Story Summary in English Short Cinderella Story in English

Cinderella was the only girl from her father who lived with her step-mother and step-sisters in her house. Her stepmother and step sister used to harass Cinderella and make her do all the household work. One day a message was sent from the royal house in the city that the prince is looking for a girl for his wedding. Because of which he invited all the girls of the city to the ball party. In such a situation, all the girls of the city started getting ready to go to this party. The same Cinderella's step sisters also started getting ready to go to that party. But Cinderella's stepmother did not allow Cinderella to go to the party. All the people went to the party but Cinderella started crying in her house. Then an angel came in front of her. She changed Cinderella's dress and gave her beautiful glass sandals. The angel turned a pumpkin into a chariot. Cinderella also had 6 rats, one of them replaced by the angel as the charioteer. Before Cinderella leaves, the angel tells her that Cinderella must return from the party before the fairy magic ends at 12:00. Cinderella went to the party and the prince's eyes fell on Cinderella as she looked the most beautiful. At 12:00 O'clock Cinderella run away from there. Cinderella left her one sandal in the stairs of the palace. With the help of the same sandal, the prince tells to his soldiers to find out about Cinderella in the whole city. The prince's men discover Cinderella with the help of sandal. Then both, Prince and Cinderella Married to each other. So this was the Cinderella Story Summary in English Short Cinderella Story in English.
