

## Miracles of Jesus

### Jesus turned water into wine

This story is about the time when Jesus was present in Galilee. There was a place called Cana in Galilee where a wedding was being celebrated. It was the third day of the celebration. Mother Mary was also present at that wedding and Jesus and his followers were also invited there.

The wine was given to the people in celebration. The wine was being distributed to everyone there too. People would be given as much wine as they wanted to drink. But while sharing the wine, they encountered a problem. The wine was finished before time and the people were not even properly distributing wine. Now everyone became upset in such a situation.

Mother Mary went to Jesus with this problem. He told Jesus, "The whole wine is finished before time."

"Woman, why do you involve me?" Jesus replied. "My hour has not yet come."

After this Jesus went to the place where the wine jars were kept. Mother Mary told the workers, "Do what he says."

Jesus told those people to fill the water in that jar. After this Jesus said to those people, "Go share it among the people."

People drank that water and they found it very tasty. That water had become wine. Everyone had never tasted that tasty wine. Everyone told the groom, " Everyone brings out the choice wine first and then the cheaper wine. After the guests have had too much to drink; but you have saved the best till now."

So this was Jesus' first miracle in which he turned water into wine.

### Jesus fed 5000 people

As Jesus progressed, the number of his followers also increased. He used to roam from place to place and preached God's message to people. One day when people heard that Jesus and his disciples were coming to a place. So they started to gather at that place before his arrival.

When Jesus arrived there, he saw many people who wanted to see more miracles from him and know about God. But Jesus did not want to address such a large crowd. Because they knew it is difficult to tell such a large crowd about the kingdom of God.

But, seeing such a large crowd, he came to understand that this crowd is like a herd of sheep which has no Shepherd. In such a situation, they will go wandering. So he thought of stopping there. Everyone waited for Jesus to say something.

Time was running out and people started feeling hungry. A disciple of Jesus came to him and said, "You send them all back, everyone is hungry. We cannot arrange food for them." Those disciples were worried about food for everyone. But Jesus knew what he would do. God loves everyone he will give food for everyone to eat.

In such a situation, a small child came. He had 5 loaves and 2 fish. He gave that 5 loaves and 2 fish to the disciples of Jesus.

Jesus told his disciples to distribute those 5 loaves and 2 fish among them. All his disciples were surprised that how could this happen? How can they distribute these 5 loaves and 2 fishes to people?

But they started sharing. They continued to distribute food but it was not getting over. And in this way, he fed food to 5000 people. This miracle is more famous than other miracles of Jesus.

### **Jesus Heals a Blind Man**

One day Jesus was walking on the road with his disciples he saw a blind man sitting on the road. That blind man was blind since childhood. He could not do any work because he could not see with his eyes. Therefore he used to beg.

A disciple said to Jesus, "Rabbi, who sinned, this man or his parents, that he was born blind?"

Jesus told his disciple that the blind man had not committed any sin, nor did his parents. This is blind because through this God will show his sovereignty to others.

What happened after that was very amazing. Jesus was going to do a miracle. Through which people would know that he is the son of God and he has come to save everyone.

Jesus spit on the ground and raised the soil from that place. He wet that soil with his saliva. He applied that wet soil to the blind person's eyes. "Go," Jesus said, "go and wash it with the water of the Pool of Siloam."

Hearing this, the blind man quickly went to the Pool of Siloam and washed the mud on his eyes with the water there. After doing this, the man opened his eyes. Now he could see everything. Those who knew him were surprised to see him this way. He tells everyone that Jesus has healed his eyes.

In this way, once more the one above was glorified.
